Running of the feis

Dancers will be permitted one adult with them at any one time. There will be no other spectators, apart from teachers. Face coverings are to be worn by persons (over the age of 12) except dancers while performing or anyone with a medical exemption.

Attendees will have their temperature checked and anyone with a temperature of 38 degrees Celcius or higher cannot be admitted. Attendees will be asked to sanitise their hands at the sanitisation station beside the door and several stations will be available at the feis.

Dancers will then receive their entry pack at the entry desk which contains their competitor number and medals. Accompanying adults will provide contact tracing information and also sign a waiver at this point - a copy of which is included later in this syllabus.

Attendees will sit in socially distanced stations of chairs in the hall. Dancers should arrive with shoes on and ready to dance. Changing is permitted in the toilets area and in the hall, only if it is guaranteed that this is done in an appropriate manner. Any missed rotations may result in disqualification.

Dancers, when called, will line up sidestage on the socially distanced marks. They will perform their rounds two at a time, take a short bow and walk off. Stage hands will assist in this process. The music will stop and the next dancers will then walk on stage.

Awards ceremonies

The winner of each solo round will come up to collect their solo round trophy while the remaining dancers will already have their solo medals from the entry pack and will not come up for these results. The full result for each dance will be read out in full.

There will be a spaced out podium for the top 5 dancers in each trophy dance who will lift their own trophy. All prizewinners in the trophy dance will stand on socially distanced markers.
