 - i. For all Boys' & Men's competitions: there will be no number check for competitions with 5 or fewer dancers;
 - ii. For Girls & Ladies competitions: the number check will happen after every 15 rounds (~30 dancers). Stage Managers should use their judgement in determining the division of number check groups in the event the 15 round/30 dancer guideline does not make sense for a particular competition (ex. If a competition has 64 dancers, it's acceptable to do 30 dancers in the first number check, 34 in the second, rather than 30, 30, 4.).

The number of awards for each event will be determined by the number of dancers/teams who actually compete in that event as noted below.

Please Note: Dancers are responsible for their awards after the awards presentation(s). The committee will not replace any damaged or lost awards.

The official number of world qualifiers is determined by An Coimisiún rules and the official number of total awards will be determined by IDTANA New England Region, Inc.
